The Unique Benefits of Amazing Grace Lutheran Preschool (AGLP)...

What we offer your child:

- We have an outstanding reputation and have been in the child care business for over 30 years.
- AGLP is a premier licensed child care facility through the Municipality of Anchorage. (You can review our inspection reports on the Municipality's website under the Dept. of Health & Human Services)
- Our staff is one of the best! All teachers have teaching experience and a higher education backgrounds. Most have been a part of AGLP for over 10 years. Our teachers are required to maintain 12 to 24 hours of continued education each year and are certified in First Aid, AED, and CPR.
- We do not require parents to volunteer their time in the classroom. Parent volunteering is welcomed but not mandated. If done on a regular basis, volunteers are required to have the same background checks as our teachers, so that our children are always assured a safe environment.
- We do not require the parents to purchase snack or drinks for the classrooms. We provide and serve snacks daily.
- We offer an optional Lunch Bunch program from 11:30 a.m. – 12:30 p.m., Monday thru Thursday. This program provides the child with more socializing opportunities and extended days for parents too.
- Our preschool has a strong music program where children attend music class every week. Classes consist of singing, listening activities, simple instrument playing, and movement. The 3 year old classes have one musical performance a year, and the Pre-K students have two.
- AGLP incorporates basic Christian learning through chapel time once a month. Chapel includes a fun child friendly lesson, craft time, singing, and prayer.
- Safety is our number one concern. We have an advanced security system on our front doors, equipped with cameras and an intercom system. Our doors remain locked during school hours, our staff receives regular safety training, and students repeatedly practice fire and earthquake drills.
- Kimochi learning has been incorporated into our curriculum which helps broaden the children's awareness and language in regards to their emotions and those around them.
- We offer added events such as the Fall Celebrations, Thanksgiving Feast of Favorites, Christmas Programs, Community Outreach Programs, Mother's Day Teas (Pre-K only), and the big year-ending All School Picnic.
- Our students have recess once a day for 30 minutes on our enclosed play area which includes a tire swing, monkey bars, dinosaur gym, a sledding hill, and much more.
- We provide you with a monthly newsletter to keep you informed of your child's learning and special events. You can follow us on social media to see what fun your child is having while at school!
